Subject: Notice of Review of Polling Districts and Polling Places
To:

< This e-mail was classified as: OFFICIAL >

Further to my email of 10 July, the Returning Officer's proposals are now on deposit on the Council's website <https://www.richmondshire.gov.uk/council-and-democracy/voting-and-elections/review-of-polling-districts-and-polling-places-consultation/> or at the Community Offices.

The compulsory review of polling districts, polling places and polling stations is currently under way.

The aim of the review is to ensure:

1. That all electors have reasonable and practicable facilities for voting.
2. That as far as is reasonable and practicable, polling places are accessible to all electors, including those who are disabled.

We would like to invite comments from electors within the District, regarding the polling stations currently used for elections and any suggestions for possible alternative venues.

We would also welcome any comments or representations from any local constituency political party and any person/group who have a particular interest and/or expertise in access/facilities for persons with any type of disability.

The Council is seeking representations from residents and interested organisations to give their views on whether they would support or wish to raise objections to the proposals.

The consultation period and receipt of any representations will close on 13 September 2019

Any representations and comments should be sent to:

The Electoral Registration Officer, Richmondshire District Council, Mercury House,

Station Road, Richmond, North Yorkshire DL10 4JX

Or by Email: er.elections@richmondshire.gov.uk or alternatively can complete the online survey at www.richmondshire.gov.uk/surveys/polling
